Mr. J. J. Long,

Dear Jerry,

I got in touch with a Dr. Elyan whose address is [REDACTED] about starting a branch in that area. He was formerly in Southall, and is now practising in Harlesden. He claims to have been very prominent in Laobour circles up to a year ago when he resigned over the Spanish issue. Could you check up on him please?

All the best,

Yours sincerely,

Organising Secretary
Anti-Partition of Ireland League.
